

## **N.E.W. REGULATORS FEB. 2010 NEWS LETTER**

We had great weather for shooting, although having the warming shed was a blessing. February, for some reason usually has a few more shooters than any other month. Maybe Cabin Fever sets in and everyone needs to get out and get the STINK blown off. Like pole cats in the spring.

Saturday Feb. 6th, we had 13 shooters, 4 of them being of the feminine persuasion. You know girls, chicks or in my case "ole heifers". Our new shooter for this day was Cowgirl Junkie, the granddaughter of Charley Horse. It was her first time shooting.

Winners for Saturday were Wiley Bob 1st, A.T.McGee 2nd, Ol' Muleskinner 3rd, and William Bowie 4th. And a blue ribbon went to Cowgirl Junkie for being a good sport JR. shooter. It's not easy to shoot in front of a bunch of Cowboy strangers.

Sunday Feb.7th, there were 16 shooters showed up to shoot, in spite of the Gun Show in Colville. Winners for Sunday were Capt. Copps 1st, Covada 2nd, William Bowie 3rd, and 4th place was Ol' Muleskinner.

We had good eating both days with our usual beans and dogs on Saturday and Ham and scalloped potatoes along with other salads and homemade pies. Good cookin' ATMcGee!

After the Sunday shoot, we held our monthly meeting. The bankers report said the club had money in the bank. Granny read the minutes of the January meeting.

**OLD BUSINESS:** The club had a few bills to pay. One to Colville Fastener for screws used by the construction crew. The other was to the Trudells for diesel, gravel and steel used on the range construction this last year. There was a motion to pay these bills and we voted yes pay them.

Other old business is everyone who hasn't paid your dues for this year should get them sent in to the club. These dues help the club pay for Liability Insurance, rent, expenses for the Annual Match, and such. So don't procrastinate.

**NEW BUSINESS:** Organizing the 2010 Annual Shoot in May. Suggestions were to cut out some things done last year to make things easier. The banquet will be cut because it's too costly and will just be simpler not to have one. We had our normal core group at the meeting, so volunteers were sparse. We had volunteers to find a food vender for breakfasts and lunches, sell shooter book advertisements, making the scenarios, working on props, sending out applications to other clubs ect. So if any of you who did not make the meeting wants to do something to help. CALL any of the officers.

Also voted in to hold another raffle. We will buy another 22 rifle like last years. We will need people selling tickets. Call Covada 684-4476.

**Next Month Scenarios:** Ol' Muleskinner and Covada. Food for Sun.  
Granny. Sat. lunch Beans and dogs.

**Keep yer powder dry and yer hair on yer head!**

**Till next time,**

**Granny**
