

## NEW REGULATOR MARCH 2010 NEWS LETTER

Greetings fellow shooters! We had another marvelous weekend of shooting. Saturday March 6, we had 6 shooters and the Katona family of observers. Other new shooters to SASS were Dakota Mike and Del Monte, we hope they come back. The winners for Sat. were 1<sup>st</sup> ATMcgee, 2<sup>nd</sup> Crazy Knife Al, 3<sup>rd</sup> Covada. Sunday we had a good group of 16 shooters, the weather was fine and we got to try out our blockhouse prop. Winners for Sunday were 1st Minto, 2<sup>nd</sup> First Chance, 3<sup>rd</sup> Marshal DJ. Thanks everyone for coming out and shooting with us.

**The** Club monthly meeting was called to order Sunday 7, 2010. The minutes for last months meeting was read and approved. We had a bankers report and we have a few bucks left to spend on range construction. ATMcGee helped the meeting speed along by outlining what has been done for the annual match and what needs to be done. We are on track and proceeding a head of schedule. A. The 22 lever action Henry rifle is bought and at Shawn Merrill's gun smithing shop. B. Raffle tickets are available to buy or sell by getting a hold of Covada, or most any of the club members. They are \$5.00 each, only 500 tickets will be sold. C. We approved a limit of \$300. for purchases of prizes for the Annual Match. D. The food venders, Laura and John Hoyte came by Sunday. We interviewed them and agreed to have them come Fri. Sat. and Sun. of the Annual shoot. E. The pins and trophies are ordered. F. Bill Goff with help from Ole Bell, have sold over \$400.00 of advertising for the shooting bays and shooters hand-books. G. The handbooks will be printed by one of the local printing shops in Colville. H. Swanee needs help for April 29, the long range Annual Match date. He says he needs people to spot and scorekeepers. Step up you long range shooters club members. I. Scooter McComb volunteered his Boy Scouts to help shag brass.

**New business:** day light savings changes March 14, so the club monthly matches start at 9:00 A.M. instead of 10:00. Safety meeting at 8:30 A.M.. THERE WILL ONLY BE ONE DAY OF SHOOTING ON OUR NEXT MONTHLY MATCH. SATURDAY APRIL 3. SUNDAY APRIL 4, IS EASTER! NO SHOOT ON SUNDAY. Because of the good weather conditions, Swanee says there will be a long range shoot in March. It starts at 9:00A.M.. For more information call Ron Swansen at 509-732-4213.

Last of all Covada has suggested to all people who drive up to shoot, to park on the south side of the shop so we have an open access for emergency vehicles. In the past, the road has become quite cluttered.

So for now have a nice Easter on April 4, and remember Day Light Savings time on March 14.

Remember your front site is your friend!
